

Alliance of the Tennessee Dental Association

***62nd Annual Session
Nashville, Tennessee
May 5-7, 2011***

Dear Alliance Members,

Please join us in the beautiful, historic city of Nashville for the First Session of the Music City Dental Conference and the 144th Annual Session of the Tennessee Dental Association.

Nashville is a city with something for everyone. If your interests are music, history, cultural, sports, shopping, or dining – you will find it all here!

Collecting penguins has been a passion of mine for many years. I love their determination and commitment to family and social structure. That is why I have chosen “*March of the Alliance – Partners for Life*” as my mission theme this year.

Get your bags packed and join us for some fun activities and events planned for the conference. Please come to “*March with the Dental Alliance*”. We are looking forward to seeing you all in Nashville!

Welcome to the Music City Dental Conference

The Alliance of the Nashville Dental Society invites you to attend the first session of the Music City Dental Conference and be part of a new tradition. The conference will be held May 5-7, 2011, at the Nashville Convention Center and Renaissance Hotel. We are excited about this new tradition and hope you will join us for a great experience.

The TDA Opening Session and Dinner will be held on Thursday evening beginning with a social hour at 5:30 p.m. At 6:30 p.m., we are extremely privileged to have Chief Warrant Officer David Cooper as the keynote speaker. He is one of the country's most decorated soldiers and you will not want to miss his inspiring story. The UT Dessert Reception will follow.

On Friday, we will be gathering in the lobby of the Renaissance Hotel to walk over to the Palm Restaurant for our 62nd Annual Business Luncheon. It is a short walk but transportation will be provided for those who do not wish to walk. After the luncheon we will be crossing the street for our backstage tour of the Ryman Auditorium. Special guides will be assigned to our groups for an informative and fun tour that is not offered to the public. Please don't miss this exciting event!

Friday night the TDA President's Party will begin at 5:00 p.m. for social time and 5:30 p.m. for dinner. The dinner will honor our TDA President, Dr. Leon Stanislav and his wife Ronna. Adding to the excitement of the day, after the dinner a concert will be held at the Ryman Auditorium (which we will know all about by then!) with special guest Faith Hill. The concert "An Evening with Friends - Something to Smile About" will benefit the Interfaith Dental Clinic. Be sure to buy your tickets early to have great seats.

We are so excited to be a part of the first Music City Dental Conference and are looking forward to a great weekend!

Annual Business Luncheon at the Palm Restaurant & Backstage Tour of the Ryman Auditorium

On FRIDAY, our annual business luncheon will be held at the Palm Restaurant in downtown Nashville, famous for their steaks and sketches! Their extraordinary tradition of treating guest like family, serving great food, and always exceeding expectations should make this a delicious and fun event.

Immediately following the luncheon, we will be walking over to the famous and historic Ryman Auditorium for a Private Backstage Guided Tour thanks to the efforts of Dr. Rhonda Switzer, Executive Director, of the Interfaith Dental Clinic. Please join us!
